assignment. Therefore, those items have no use in the Lesaint et al. scheduler and there would be no benefit to adding them to it. Where there is no benefit to a proposed modification, there is no prima facie case of obviousness.

The only possible suggestion for making such additions to the Lesaint et al. scheduler is found in Applicant's disclosure, which cannot be used to find motivation for attempting to establish a prima facie case of obviousness.

All claims are allowable.

The Commissioner is hereby authorized to charge the fees necessary for the five additional independent claims presented above to Deposit Account number 50-1482.

Respectfully submitted,
